## FUNDRAISING

Fundraising is easy with online fundraising tools or the form attached below! Once your registration is received by our office for the Race you automatically receive your own fundraising website which can be personalized. Start now by encouraging everyone you know to see what you are doing in the fight against breast cancer and make a donation on your behalf. Up to 75 percent of net proceeds generated by the Race stays right here in the local community! The remaining 25% goes to the Susan G. Komen® Grants Program to fund critical research.

Every dollar makes an impact — thank you for everything you do! Here is a quick fundraising tip that can get you started:

\$10 from 10 of your friends to help find the cures for breast cancer. Can you raise \$100? It's simple, if each of the expected 15,000 Race participants asks 10 people to donate at least \$10, each Race participant will raise \$100, we would then have \$1,500,000 to fund programs in our area! What an amazing challenge! Plus, there are wonderful prizes you can earn by reaching incremental fundraising levels. Go to our fundraising page on our website at [www.komenchicago.org](http://www.komenchicago.org) to see all the great incentive prizes.

## I AM THE CURE.®

Susan G Komen® has developed a compelling educational initiative called I AM THE CURE.® This program empowers people with the knowledge that early detection truly makes a difference. More importantly, it motivates people to take an active role in their own breast health. These words, and the simple steps that lead to early detection, will come to life as hundreds of thousands of Komen Race for the Cure® participants make I AM THE CURE.® their rallying cry on Race day.

## SUSAN G. KOMEN®

Though Susan lost her battle with the disease, her legacy lives on through the work of Susan G. Komen®, the organization Nancy Brinker, Founder and Chair of Global Strategy, started in her honor. Komen is the global leader of the breast cancer movement, having invested more than \$2.5 billion since its inception in 1982. Komen's promise is to save lives and end breast cancer forever by empowering people, ensuring quality care for all and energizing science to find the cures.

Around the world, that promise is upheld by network of 117 Global Affiliates, At the heart of each Affiliate is a person or group of people who, like Susan, want to make a difference.

The Susan G. Komen® Chicagoland Area Affiliate was established in 1997 and held the first Susan G. Komen Chicago Race for the Cure®. With support of our signature fundraiser, the Komen Chicago Race for the Cure®, Komen Chicagoland Area has awarded over \$15 million towards the fight against breast cancer by funding grassroots breast health education and breast cancer screening and treatment projects, as well as national research. Seventy-five percent of the net proceeds raised by the Affiliate are dedicated to fighting breast cancer locally in the Chicagoland metropolitan area. The remaining 25 percent of net proceeds raised are contributed to the Susan G. Komen® Grants Program which funds research and education programs. The generosity and spirit of our corporate sponsors and community partners enables the Affiliate to organize the Susan G. Komen Race for the Cure® as well as other breast cancer awareness events and fundraisers throughout the year.
