

# START VOLUNTEERING WITH KOMEN CHICAGO

## Steps to Get Started:

**1** Check out our list of Volunteer Opportunities.

**2** Complete the electronic Volunteer Application.

**3** Sign-up to attend:  
Komen 101 — Volunteer Orientation

**4** Have an Interest Interview with the Volunteer Program to discuss your interests and how that matches our needs.

**5** Receive your volunteer assignment and help us achieve our mission of *a world without breast cancer!*

- These steps are for individuals interested in volunteering regularly. If you are only interested in helping at our Race for the Cure, you do not need to complete these steps. A shortened Volunteer Registration for the race will launch in early July.
- After you complete the electronic Volunteer Application, you can visit [myvolunteerpage.com](http://myvolunteerpage.com) regularly to check out new volunteer opportunities you are eligible for.
- All volunteer opportunities, except Special Events, require the completion of Komen 101.

**Visit our website for volunteer updates & news:**
