FREE & LOW COST BREAST HEALTH SERVICES:

Komen Chicago is the local source for funding breast cancer detection and culturally competent support, navigation and educational awareness programs in the Chicagoland area.

The following **Community Grant Recipients** have been selected this year to make the greatest impact in the community. Please contact them if you need their services.

Esperanza Health Centers

Partners of Hope

Contact: Carmen Vergara

2001 S. California Avenue, Suite 100,

Chicago, IL 60608

(773) 584-6200

www.esperanzachicago.org

This is the 5th year of Affiliate funding for this partner. The program provides free navigation services, clinical breast exams, screening mammograms plus diagnostics, and treatment to the uninsured, low-income, Latinas in the medically underserved neighborhoods of Chicago's southwest side and suburbs.

HANA Center

Breast Health Project

Contact: Joyce Yang

4300 N California Ave, Chicago, IL 60618

(773) 583-5501 X 160

www.hanacenter.org

This is the 5th year of Affiliate funding for this partner, but the 1st year for this current project. This program will provide free services to uninsured/ under-insured, limited-English proficient Korean American immigrants in Chicago and Cook County. The project will also navigate women to screenings, and facilitate the "Inspire" support group, increasing access to breast healthcare to a vulnerable, at-risk community.

OUR COMMITMENT:

100% OF NET PROCEEDS ARE INVESTED BACK INTO LOCAL COMMUNITY GRANTMAKING AND RESEARCH INITIATIVES

Presence Saints Mary and Elizabeth Medical Center

Breast Care for Low-Income Women Program

(312) 770-3679

<http://www.presencehealth.org/presence-saints-mary-and-elizabeth-medical-center-chicago-breast-health>

This is the 11th year of Affiliate funding for this partner. The program educates more than 1,000 low income, African-American and Hispanic women, ages 40-59 living in Cook County. Women learn about the breast health continuum of care and are provided with free mammograms, diagnostic services, and treatment support.

Swedish Covenant Hospital

The Community Breast Health Program

Contact: Linda Rowan

5145 N. California Avenue, Chicago, IL 60625

(773) 293-5234

www.swedishcovenant.org

This is the 8th year of Affiliate funding for this partner. The program provides breast health services, which includes biopsies and increases access to breast health education, screening, diagnostic, and treatment services, while also improving continuity between diagnostics, treatment, and survivorship, for uninsured and very low-income women on Chicago's north and northwest side.

For more information about low to no cost breast services throughout Illinois, contact the Illinois Breast and Cervical Cancer Program (IBCCP) at: <http://dph.illinois.gov/topics-services/life-stages-populations/womens-health-services/ibccp> or call 888-522-1282 (800-547-0466 TTY)

CAPACITY BUILDING GRANT RECIPIENTS:

Funding was provided to the following organizations to assist in increasing the capacity and efficiency of their breast health programs, ultimately improving the quality of life for breast cancer patients and survivors in Chicagoland.
